To the Hon. H. S. K. Morrison, Judge
of the Circuit Court of Lee County,
Virginia.

Your Orator Wm Deering & Company
of Chicago, Ill. a body corporate under
the laws of the State of Ill., who
humbly complaining would respect-
fully represent that they are man-
ufacturers of "Deering Binders, Deer-
ing Mowers, Rakes, Deering Reapers
Binder Twine & all ~~the~~ repairs
thereto, that these manufactured
articles they place upon the market
& sell to the public through their
agents and such agents act as
bailees of the goods consigned
to them to be sold by such agents
in the territory prescribed & for such
compensation as may be agreed
upon. In the course of their ~~of~~
~~trade~~ they do business over
quite a large territory including
several states of the United States;
among the rest they do business in
Lee County Va. For said Lee County
Va they appointed one C. K. Brown
as such agent as aforesaid for
Lee County, Va for the years 1891,
1892 & ~~up~~ up to March 1st 1893.
As such agent they consigned
to him numerous Mowers, Reapers,
Binders, Binder Twine, Rakes & repairs

to be held by him as such Consignee
& sold by him as such agent.
For the years 1891 & 1892 the said agent
entered into a written contract & agree-
ment with the plaintiff for the due
performance of his duties as such
agent with A. M. Brown as his
security for the due performance
of his duties as such, for the
months of January & February 1893 the
said Brown gave no security.
Copies of these written contracts
will be found filed with the other
papers hereinafter referred to &
they are prayed to be considered
herewith as a part hereof. Statements
of the Number & kind of Machinery
Consigned to & sold by said C. K. Brown
Consignee & agent aforesaid, together
with the sales made thereunder & the
prices for which the same was sold
& such as were returned, together
with the compensation allowed therefor
& the papers correspondence, Freight
Bills & settlements of said Brown's
account as such agent for each
year will be found filed herewith
marked, respectively "1891", account
States of sales made by C. K. Brown
agent, "Journelle &c" & the same for
1892 & the same for 1893; each year
enclosed in separate envelopes & they

are each & all prayed to be considered
as a parts hereof. For greater certain-
ty these envelopes will be marked
1, 2 & 3.

In the envelope marked 1893 will
be found a tabulated statement of
these accounts for each year,
by an inspection of which, it will
be seen that for the year 1891, there
is due your Orator including interest
as shown by said statement \$55²⁴/₁₀₀,
and for the year 1892 \$45²⁰/₁₀₀ & for
the year 1893 \$8⁰⁰/₁₀₀, making in all
due your Orator from said agent
& bailer \$108⁴⁴/₁₀₀, no part of which
is paid or settled but is still
due your Orator. This paper will
be found marked exhibit "4" & en-
closed in envelope 1893.

The said Brown as such bailer &
agent neglects & refuses to settle & ad-
just his accounts as such or to pay
to your orator the sum of \$108⁴⁴/₁₀₀ due
it as aforesaid. The matters running
over these three years are lengthy, intricate
& complicated so that your orator has
not as it is advised, an ad-
equate remedy at law, but is reliev-
able only in a court of equity where
matters of accounts agency & bailment
are properly cognizable.

The object of this Bill is, therefore,

to have an account taken of the dealings
of the said C.K. Brown agent & bailee
as aforesaid for the years 1891, 1892 &
1893, by a commissioner of this court.
And, on a hearing that the said
C.K. Brown as agent as aforesaid
& A.M. Brown his security therein
be held liable for the arrears due
your Orator for the years 1891 & 1892
& the said C.K. Brown be held to
account for the same of 1893.

The premises considered, your
Orator prays that C.K. Brown &
A.M. Brown be made parties defendants
to this Bill & answer its allegations
but they need not do so upon oath
that being expressly waived, and,
on a hearing that said accounts
of said C.K. Brown agent as aforesaid
be adjusted & settled before a
commissioner of this court, and
that said C.K. Brown & A.M. Brown
be held liable for & decreed to pay
the arrearage for the years 1891 & 1892
& C.K. Brown held liable for the ^{year} 1893
& that ^{he} be decreed to pay the same,
and for all other, further & general
relief. May supp issue &c

1 To the Honorable H. S. K. Morrison Judge
2 of the Circuit Court for Lee County
3 Virginia;

4 The deponent and answer of
5 C. K. Brown to a bill of Complaint
6 exhibited against him and another
7 in this Circuit Court for Lee County
8 Virginia, by Wm. Deering & Company
9 a body corporate, under the laws of
10 the state of Ill,

11 Respondent says that said bill
12 of Complaint is not sufficient
13 in law, and he deems accordingly
14 thereto, but should further answer
15 be required, he answers as follows:

16 Respondent says he supposes it is
17 true that the said complainants are
18 manufacturers of the machinery and
19 articles mentioned in said bill,
20 and that they place these articles
21 upon the markets for sale, and
22 sell said articles to the public largely
23 through agents, but as to whether or
24 not such agents act as bailees
25 of such goods as are consigned
26 to them depends upon their con-
27 tract, and your respondent
28 here refers to and relies upon
29 his contracts with said complain-
30 ant as to his liabilities and
31 rights as agent of said complain-
32 ant, which said contracts are filed

1 with complainants bill as exhibits,
2 Respondent denies that he contracted
3 with said complainants to act as
4 their agent in Lee County Vir-
5 ginia for the whole of the years
6 1891 & 1892, & up to March 1st
7 1893, but alleges that his contracts
8 were for the selling season of the
9 said years for 1891 & 1892, and said
10 contracts show these facts,
11 and further deems that he had
12 any contract whatever to
13 act as agent for any part of
14 the year 1893.

15 Respondent says it is true that said
16 plaintiff shipped him as their agent
17 numerous mowers, ~~Reapers~~, Reapers,
18 Binder Twine, Rakes & repairs, for
19 him to sell, & that for the ~~year~~ ^{year}
20 seasons for the years 1891 & 1892
21 he made written contracts as agent
22 of and with said plaintiff with A. M.
23 Brown as his surety, and refers to said
24 contracts for his duties and liabilities
25 and the terms thereof and obligations
26 of each.

27 Respondent says it is true that state-
28 ments are filed with ~~the~~ plaintiff's
29 bills showing the number and kind
30 of such machinery as came into
31 his hands as agent, and also
32 statements of ^{his sales and} their settlements

1 And said settlements for 1891 & 1892
2 are correct, except as will be here
3 in after shown. that said plaintiff
4 is seeking to charge him wrongfully.
5 Respondent deems that for the year
6 1891 he is indebted to said plaintiff
7 in the sum of \$55²⁰, or for any
8 sum whatever for said year 1891.
9 Respondent says that for the year
10 1891, he holds said plaintiff's receipt
11 in full of all due to them from
12 him on settlement in full for the
13 year 1891. Said receipts ^{are} here with
14 filed numbered "A" & "B," and prayed
15 to be herewith considered.

16 Respondent will further show your
17 honor that said plaintiff's state-
18 ment of account for the year 1891,
19 ~~seeks~~ to charge him with \$55²⁰₁₀₀
20 the amount of a note of W. M. McKel
21 turned over to Greer Machinery Co, and
22 this your respondent deems their
23 right to do, that in his settlement
24 showing the number and amount
25 of the notes accounted for and
26 turned over to said plaintiff, this
27 identical note is included, and
28 that he holds the plaintiff's receipt
29 for the same.

30 Respondent admits that for the
31 year 1892, that the plaintiff's
32 statement shows a balance against

1 him for the sum of \$45⁷⁰/₁₀₀ of
2 principal and interest, but respondent
3 here charges and alleges that all
4 matters and dealings between them
5 were not brought into this settlement,
6 that if they had been included
7 the said plaintiff would be
8 indebted to him.

9 Respondent will now show your
10 honor that said plaintiff is
11 indebted to him for the following:
12 Freight paid for them, repairs turned
13 over to them, house rent etc,
14 amounting to the sum of \$70⁷⁰/₁₀₀,
15 and statement of account showing
16 this amount is herewith filed marked
17 "O" and prayed to be herewith con-
18 sidered, and respondent ^{begs leave to} here offers
19 to offset said sum of \$70⁷⁰/₁₀₀
20 against the plaintiffs demand
21 for the year 1892.

22 Respondent deems that he is in-
23 debted to said plaintiff ^{for the year 1893} in the
24 sum of \$8⁰⁰/₁₀₀ or for any sum
25 whatever, and here alleges and
26 charges that the repairs with which
27 he is for this year sought to be charged,
28 he has duly accounted for and turned
29 over to the plaintiff and has other
30 receipts for the same, ^{they} and are
31 included in receipt herewith filed marked
32 "N" - and respondent further

shows your honor that his
account against the plaintiffs
is more, than the amount
of their account against
him for the years 1892 & 1893,
and that this said account
would be a valid and
sufficient offset against the
plaintiffs account for both
of said years.

And now having answered
as fully as he is advised, defend
ent prays to be hence dismissed
with his reasonable costs
in this behalf expended,
And he will ever pray etc.

To the Hon H. S. K Morrison, Judge
of the Circuit Court for Lee County,
Va.

The separate answer of A. M.
Brown, one of the defendants, to
a bill of complaint exhibited
against him and others, in
the Circuit Court of the County
of Lee, by Wm Deering & Co., com-
plainants.

The respondent now, and
at all times hereafter, saving and
reserving to himself all and all
manner of benefit of exceptions
which may be had or taken to the
manifest errors, uncertainties,
imperfections and insufficien-
cies of the said bill of complaint,
for answer thereto, or to so much as
he is advised it is material
or necessary to make answer
to, answering, says:

That he knows nothing of
the particularities of the trans-
actions and dealings of the
complainant with his co-defend-
ant as he was only security in
the two bonds filed by the complain-
ant with his bill and that he is

only liable, if liable at all,
according to the stipulations
of said bonds. But your
respondant having read the
answer of his co-defendant,
and believing the same to be
correct as therein stated,
here adopts and relies on the
same as fully and completely
as if said answer was set forth
in terms as part hereof.

And now having answered
as fully as he is advised it
is material he should answer,
respondant prays to be hence
dismissed with his reasonable
costs in this behalf expended.

H. S. K. M.

The deposition of C. K. Brown
taken before me, T. W. R. Ewing, Special
Comr., in Case of W. M. Deering vs.
C. K. Brown et al., pursuant to notice
continuances, &c., at the office of Orr,
Blount & Ewing in Foursville, Va.,
on Sept. 24, 1894, & in return determining
the questions submitted to me as
such Comr. by the decree under which
this cause lay Circuit Court for Lee Co.,
Pres. C. L. Pridemore for plff.,
vs. W. M. Deering & C. K. Brown for defts.
C. K. Brown being duly sworn to
test truthfully.

Ques 1. State your age, occupation, and
place of residence.

Ans. I am 36 years old, and reside in
Foursville, Va., my occupation is dealer in
agricultural implements.

Ques 2. State whether or not you acted as agent
for the plaintiff, and if so, for what
business, and how long were such
agent.

Ans. I was their agent. I was agent from
June 1891 to Oct., 1892, for the purpose
of selling mowers, reapers, &c.

Ques 3. State whether or not you were
the plaintiff's agent for the
year 1893 or for any part thereof.

Ans. I was not.

Ques 4. Did you or not make a little
money with the plaintiff for the year

dealing as such agent for the year 1891, & if so, ~~but not after~~ as then a written statement of your settlement for said year —

Ans. I did make a statement, and there is a written statement in this case. By a written statement I mean I have not showing our settlement. The result of our settlement is shown by a paper filed in this cause by the plaintiffs, titled "General Statement of Account for 1891."

Ques 6. Is said statement correct & if so file the same as part of your deposition

Ans. It is correct with the exception that the plaintiffs are due me \$25.55. This error was discovered after settlement.

Ques 7. Do you have receipts in full for your dealings for the year 1891 from the agent of the plaintiff & if so file them with your deposition.

Ans. I do, and they are filed with my answer in this case, marked "A" & "B"

Ques 8. Please take said receipts marked "A" & "B", and state when they were given, who put the words "in full" in them, and how and under what circumstances said words were put in the receipts.

Ans. The receipts were given up stairs in my father's room here in Louisville, and were given down stairs ^{after the settlement} and the receipts.

satisfactory to me, and I asked it Y. Davis,
the agent with whom I had settled, to
put the words "in full" in the receipts, and
I think he remarked "you put them there," and I
replied, "No you wrote in receipts, put them
there yourself," and I think he did so.

Ques 9. Then are you positive that said
words were at that time inserted
and not afterwards.

Ans. I am certain they were.

Ques 10. What is the \$25 ⁵⁵/₁₀₀ due you for,
and where was it you discovered
this error in the settlement for the
Year 1891?

Ans. Some time since I wrote to Wm
Deering & Co. to send me a list in
full of the notes I had turned over to them,
and they did so, and I find I had
sent them more notes than they had
actually given me credit for, the over-
plus being \$25.55 more than I owe.
This amount of \$25.55 is due me from
them on settlement according to my books.
Obj. Plt's objects to witness stating what is shown
by his books.

Ques 11. How many mowing machines did
you get from Wm Deering & Co. for
the year 1891, and how did you
dispose of them & account to said Co. for
them.

Ans. I got 41 from all sources.

accounted for to 17th & being also by notes and cash 37 mowing machines. I transferred one to Campbell of Tenn. I carried over for 17th & being also to the year 1892, three machines. I secured 35 of these machines from Chicago, 4 from Bristol, and 2 from Green Machinery Co.

Ques. 12. Do you owe the Plaintiff the account for the year 1891, for \$55²¹/₁₀₀ filed by the plaintiff, & marked "Abstract 1891."

Ans. I do not.

Ques. 13 Explain the transaction fully about the W. N. McKel's note, and what W. J. Davis agent directed you to do about it.

Ans. I turned over the note to W. J. Davis with a lot of notes which he received, and he receipted me for them. At the time of settlement there was no objection made to the note. Hugh Green came here to sell machines. Mr. W. J. Davis told him he was intruding on my territory and that if he did not get out he (Davis) would have him killed. I put on every tree a warning not to buy of Green that his orders would not be filled. Mr. Davis ordered me to go to McKel and settle with him, which I did. McKel had made his order from Mr. Hugh Green. The machine which McKel got is one of the 41 which I have mentioned. Since this transaction the company has listed the note along with

5-

obtained
others from me. I received a list of notes
from the main office of the 1st Deering
Co. in April, 1874, and in this list was
the McNeil note; and in this list I was
given credit for said note. I have
never learned from the main, or Chicago
office, of the 1st Deering Co., that there was
any dispute as to the said McNeil note.
The Green Machinery Company transferred the
order & machine to me by direction of
Wm. Davis, agent for 1st Deering & Co.,
which order I made known in my presen-
tation, & was sent to me by the Green
Machinery Company. This note was executed ^{1st Deering & Co.} made payable to
State, or better off nat.
Ques 14. This note there was made for and
under the directions of Wm. Deering & Co.,
and whether or not, and their accep-
tance as such of the note.

Ans. It was.

Ques 15. State whether or not you owe the plaintiff
the account for \$45 ²⁰/₁₀₀ shown by
Exhibit, numbered "Abstract 1892".

Ans. I do not. On settlement at that time I
owed them \$42.13 balance on fully paid
account, but they were due me
something more ^{than} that account, if not
more. All which is shown in an
account of offset, which is filed marked
"Account for 1892, O".

Ques 16. State whether you owe the plaintiff
the account for \$8⁰⁰ marked Abstract 1893.

Ans. I do not.

ness with them in 1893, only gave
them a check for an amount which was
due, I mean to say I did not
pay for them in 1893. I had no
contract for this year.

Ques 17 Explain how this \$85⁰⁰ was settled,
and state whether or not you have
a receipt which includes it; and if
so file the same with your deposition.

Ans. The \$85⁰⁰ was ~~not~~ settled in a
savings machine account which
was settled in full & I have a receipt
for the same, which receipt I will
file marked "4" it being the same
filed with my answer.

Ques 8 State whether or not the plaintiffs
are indebted to you for the account
of effects which you file against
it marked 1891, 1892, & 1893, in &c,
take up the accounts for each
year & explain them fully.

Ans. They are indebted to me. The year of
1891 I accounted to them for mowers,
reapers, &c., paid them in notes & cash \$1744⁰⁰
I received from them mowers, &c. to the
amount \$1718²², leaving a balance
due me of \$25⁵⁵. This is for the
year 1891. For 1892 I turned over to
them \$1384⁵⁰ in notes, check on
Powell's Valley 13K. \$135⁵², on my 12K
account \$100⁰⁰, freight on binder
\$14⁵⁰ for same.

mowers \$16⁰⁰, freight on one foot
repairs 500 @ 159¢, \$3,36, freight on
H. trucks \$448, freight on one giant
mower \$6⁰⁰, check on Powell Valley Bk.
\$50⁰⁰, house rent at Punnett Gap,
from Oct. 21, 1892 to Oct. 21, 1893 \$2⁰⁰
per mo. \$24⁰⁰, house rent on one
giant mower at Jonesville from
Oct. 21, 1892, to Oct. 21, 1893, 50¢
per mo. \$6⁰⁰. All which are the
credits which I should have for this
year. My indebtedness to them for this
year was as follows:- 23 720 mowers
\$40 each, \$920⁰⁰, 7 cash rakes each
\$38⁰⁰, \$266⁰⁰; three each \$37⁰⁰,
\$111⁰⁰, these three mowers were transferred
from the 1891 account to the 1892
account at \$37 each, all freight
paid by Mr. Deering Co. on the last men-
tioned three. That is they were to give me
credit for the freight paid by me on
these three machines. One binder
\$105⁰⁰, one truck \$7⁰⁰, commission
repairs \$5⁰⁰, nut repair \$21.87, 100
lbs. twine, \$105⁰⁰, thirteen daisy hay
rakes, each \$16⁰⁰, \$208⁰⁰, 4
Master hay rakes, each \$135⁰⁰,
\$540⁰⁰; these above mentioned
being all for which the company
should charge me. Leaving a bal-
ance due me of \$373⁰⁰, on
which I claim

Oct 21, 1892 Fr 1893

Then house rent due me on one
giant mower from Oct. 21, '93
to May 7, 1894 seven months @ 50
\$350. Accounts marked "1891", "1892"
& "1893" show these transactions.

Ques 19. State whether or not these balances
as shown by said accounts
are just due, unpaid, ~~used~~
still owing, & you as said plain-
tiff.

Ans. They are.

Ques 20. When did your agency come with
the plaintiff, ~~and~~

Ans. We settled Oct. 21, 1892, but I con-
sidered it ended Sept. 1, 1892.

Ques 21. In what capacity, ^{did you act} or what did you
do for the plaintiff, after said date, if
anything?

Ans. I acted in no capacity except to
load the machinery until they came
to take it. I told Mr. Cooper at the
time we settled that I would charge
them house rent until moved.
Cooper said nothing, except we made
a complete settlement & he gave me
a due of \$25.54 due me, which
due bill I have file marked "V".
The Company is indebted to me for
house rent for the period mentioned
for keeping said machinery, as is
in my account with them.

Ques.

State whether or not you ever promised at any of your attempted settlements with W. J. Davis agent, or at any other time, to pay him for the McKil note, or to pay the 11th Hill note to the Plaintiff?

Ans.

I never did. I knew nothing about any claim to the amount of the McKil note until after our settlement.

Ques.

State whether or not you ever represented to W. J. Davis agent, at any of your attempted settlements, or at any other time, that the list of notes amounting to \$1701⁰⁵/₁₀₀ was for machines shipped to you other than the Green Machinery Co.

Ans.

The list of notes I submitted then included all the notes from Green Machinery Co. & all sources. I did not represent to W. J. Davis that his list did not contain or include the McKil note.

State whether or not W. J. Davis in any of your dealings or settlements, or at any time, promised you to pay you the house rent for the machinery &c; if where and where was it?

Ans.

Mr. Davis & I had a talk about the house rent. I told him I would charge him house rent.

much I would charge. I told him
\$2⁰⁰ per month. He said that was
too high for that old house. I told
him he would have to pay it or
take them out. He said he would
pay it. This conversation occurred
over here in my office in Danville. Jas.
M. Morgan was present, and no one
else at that time. Mr. S. A. Cooper
& myself had a conversation about this
rent matter at my house in Danville.
I told him I would charge him, but
there was nothing said as to how much.
My wife was present when I told him
I would turn over the machine & charge
rent, and that I did not wish to handle
the machine any longer. This was
in each of these conversations as to the
house rent in Pennington Gap, Va.

As to the rent in Danville, I do not
remember that anything was said, but
I told him responsible for this rent
also. After this Mr. Davis and myself
had a conversation again about rent.
I asked him for the rent, and he told
me that the Bristol Supplement Co.
would pay the rent. I told him that
I looked to the Bristol Supplement Co.
for nothing, & that I held the 112nd Nearing
Co. responsible, as I had no con-
tract with Bristol Supplement Co.

711 The foregoing questions ^{and answers} which relate to house rent for the years 1891, 1892 and to freight on machines shipped for those years are objected to, because the time to contradict, alter & change the written contracts of those years 1891, 1892

Wm. Pickens
P. Q.

Cross Examined.

Ques 1. Did you own or rent a house at Pennington's Gap at the time you say you stored machines there, if you answer that you rented a house state who from whom did you pay freight describe the house?

Ans. I rented a house from Mr. R. Gilly and paid \$2.00 per month.

Ques 2. Did you use the house for any other purpose than to store these machines in for the months of January & Feb. 1893?

Ans. No, I did not.

Ques 3. Did ever the peffs or their agents, for them agree to pay you \$2.00 per month storage for these machines of so who for Feb. to Jan. 1893.

Ans. Yes, W. G. Davis agreed to pay \$2.00 per month.

Ques 4. Do you deny before the settlement you made with Ed. Cooper Oct 2 1892 as correct, or did not - your W. G. Davis, afterwards correct it, and make it more favorable to you?

Ans. Yes, I relied upon that as correct. After-
ward I do not think we ever corrected
the settlement.

Ques. I now have your that settlement
signed by your self & S. A. Cooper,
dated Oct 21 1892, and ask you to
look over it state whether or not
on that day you did not sign a
statement for that year showing
on that day for that year you
owed the pl^{ty} \$127.50⁰⁰?

Ans. It is correct. I afterwards paid
the \$127.50 as follows, by sending in
the following notes: One on J. H. Jones
of \$25.00; one on W. H. Martin & Son \$52.00
one on A. J. Susong & Howard for \$50.00.
I afterwards sent a note on Lanning &
Spence of \$40.00 more than I owed on
the mowing machine account. This note
was paid at Powell Valley Bank to Mrs. Nearing
& Co.

Ques. When you sent in the notes, or
turned them over to Cooper & amounting
to \$1706.05 was that due on your
mowing machine account for that
year, or was it for general pur-
poses?

Ans. ~~I never turned over Cooper any notes~~
~~for this year, but I did to previous years~~
~~for mowing machines.~~

Ans. For mowing machines, and
perhaps for some new repairs, such

binders, trucks, &c. I cannot certainly remember.

Ques 7 What amount do claim the pl^{ts} over you for 1891. for 1892, for 1893? What is it for?

Ans. They owe for 1891 \$25⁵⁵ amount over paid them in notes. For 1892 balance of \$37⁵⁰ for house rent & freight. For 1893 house rent for giant mowers \$3⁵⁰.

Ques 8 Is it not a fact that you owe the pl^{ts} for a note on Lake acct of 1890, due from R. G. Leroy for \$20⁰⁰ and collected by you & never paid to them? and like note on A. Russell at like date for \$9⁰⁰ and like note on J. M. Duff for \$15⁰⁰ a receipt for which I show you. Have you not collected said notes, and not paid them over if say you have paid the money over when & to whom did you pay it?

Ans. These notes were given to me as commission on an over amount I had paid the Company. I have collected the R. G. Leroy note & the J. M. Duff note. The Russell note is uncollected with an exception of one or two dollars.

Ques 9 Who gave them to you & when & where was it done?

Ans. Davis gave them to me at my house.

Ques 10 Did you not sign the receipt now
shown you dated Oct 20: 1891 & 1
executed to C. S. Center is not the sig-
nature yours, file the receipt under
you!

Ans. I do not know the hand write to be
mine, but it looks very much like it.
I have file the same marked "5".

Ques 11 How many mowing machines did you
receive direct from Chicago?

Ans. In 1891 I rec'd 35 N.D. mowers, two
giant mowers. In 1892 I rec'd 40.

Ques 12 How many did you receive from
McDonnell or others for the plot from
Bristol?

Ans. Four.

Ques 13 How many from others & from where?
Ans. Two from Greer Machinery Co.

Ques 14 Did you not also receive one already
in Jonesville or some where in Lee Co.
a sample machine not included in
the above list?

Ans. No, I did not.

Ques 15 Now please state what you did
with these machines, & if you say
you sold them state to whom and
at what price, state each year
separately?

Ans. I have examined a list shown me
in my own hand writing, but I cannot
tell whether it is correct or not. I
have file it marked "T".

Mar 16/91 I understand your answer to
to Questions 11 & 12, above you say you
received from Chicago 35 R.D. Mowers and
2 Giant Mowers, making 37 in all, that
you received 4 from Bristol, and two
from the Green Machinery Co, for the
year 1891 43 in all is that correct?

Ans. Yes.
Mar 17/91 Then in your settlement with
Cooper & Davis have you ever accounted
for but 41 machines as detailed by you
in your evidence in chief. The
letter was & was over the two
Green Machinery Co Machinery
Charged to you, by them if so ex-
plain how & when?

Ans. These machines were charged to me &
I have accounted for them in the 41
machines list as mentioned by me.

Mar 18/91 Notice in your account and evi-
dence you charge for storage and
freight on the machines, will you
please look at the later part of
Clause I (2) and at clause III (3)
IV (4) ^{agreed} and see if you did not con-
tract for said machines F.O.B, which
means on board the Cars at Chicago
and that you were to have & store
them free of all charges at the
prices put to you as agent?

Ans. Yes, the contract so states.

Mar 19/91 Then you were to pay freight

and have the Machine free for the years 1891, & 1892, while you was agent as stated in your contract?

Ans. Yes, this is correct for the time I was their agent.

Ques 20 Did you and W. G. Davis make a settlement at the time you turned over to him the W. S. McNeil note and other notes?

Ans. We did.

Ques 21 If the McNeil note of \$45.00 had been collected by the people then your share would have been even for that year would you not?

Ans. I settled with them & counted the McNeil note in.

Ques 22 If then in truth and in fact the McNeil note was not and could not be collected by them because the Machine was that of Green Machinery Co, then you would owe them that note would you not?

This question is objected to. Because it is asking the question in law to state a legal conclusion & not a fact, & because it is argumentative.

For the purpose of the Court,

Ans. No, I would not say anything.

17.

Ques 23 Is it not a fact, that in your settlement with Cooper & Davis or either of them, that for the year 1891, you were charged with the sale of 37 M. D. Mowers & 1 giant M. D. and that you settled on that basis without Complaint, on that the McNeil Machine was not mentioned or included in that settlement or sale for that year and if it had been that you would have been charged with 38 M. D. Machines for that year & one giant?

Ans. The 1st machine was included in that settlement, and the charge of 37 was correct.

Ques 24 Did you not receive a credit of \$12.74 in account of the mowers returned by you, at the end of 1892?

Ans. Not that I remember.

Ques 25 You say the 1st time you in settlement of 1891 \$35.55, please file a statement of your clearing for that year & file as part of your 2nd & 3rd which I think that is correct?

Ans. I have file the same and more under "A".

Ques 26 I state in statement "A" file by you you say 45 notes turned over by you please file a list of these notes their dates, amounts & by whom payable? To whom turned over & the evidence of it?

Ans. For answer I refer to exhibit O¹ filed with W. G. Davis' deposition.

Nov 27 By reference to your said 14th you say freight to A. S. Mc Mc Derwess, please file any evidence you may have that the plaintiff was to pay that item, or any evidence you may have that you paid it.

Ans. This is shown by a statement sent from the Chicago office to me, here filed marked "113."

Nov 27 I notice in your statement for 1872 your charge have sent from Oct 2nd 1872 to Oct 1873, did you not know that these goods have been turned over to the Bristol ~~Wholesale~~ ^{Wholesale} Co also known as Capital 1873?

Ans. No, I did not.

Jan 28 At the time you settle for the years 1871 & 1872, did you not claim that you were aware that the matter which was all that gave rise to this controversy. In other words is not the whole matter the only thing about which the trouble arose?

Ans. No, I did not.

Nov 29 I now call your attention to the list in your hand write, filed as exhibit 1, and ask you to correct the names carefully, and see if you did not see in fact for the year 1871 38 ^{A.D.} there are more than you say 37 that you got that year?

Ans. It contains a list of 38 M.D. mowers, I find on inspection. As I have stated I do not know that this is correct.

Ques 30. You say you can not tell whether it is correct or not, did you not make it out as a correct list of your sales at the time you made it and was not the list made when the matter was fresh in your mind or some paper then before you?

Ans. I made it and intended it as a correct list. The matters were fresh in my mind and I made it from memory & spoke before me.

Ques 31. Please again examine said list of names, therein reported as a purchase of A.D. Mowers and pick out any name therein to whom you did not sell an A.D. Mower to. You are familiar with our acquaintance see if the men are your men?

Ans. I cannot pick out any name to whom I did not sell a mower. I cannot remember whether they did get the machines or did not.

Ques 32. If that is a correct statement of sales made by you, then you ought in settlement with the p^{ty} to be charged with the sale of 38 A.D. Mowers instead of 27 as claimed by you in your evidence in court? Is this correct?

Ques 33. Yes, it is true.
Then taking said list "I" as correct,
it just leaves the one Reil machine
unaccounted for by your
former statement of the dealings
between ^{the plaintiff} or at least one M.D.
Mower at about that price?

Ans. Yes, this would be about

Re-Examination in Chief

Ques 1. Is the list of M.D. mowers mentioned
"B" correct or not?

Ans. I it is not correct.

Ques 2. Is the list of notes which the plain-
tiff sent you & filed with your deposi-
tion mentioned "C" correct or not?

Ans. Yes.

Ques 3. On your cross-examination
you speak of 43 machines, do you
mean to say that this number includes
the 41 accounted for by you, and the
two Giant mowers, one of which was
sold & one left on hand?

Ans. I mean to say 43 is composed
of 41 "M.D." & two giant mowers,
one ^{which} was sold & accounted for, &
two ^{which} were

Ques 4. Make such explanation of receipt B
as you desire.

Ans. The notes mentioned in this receipt
were taken by me as commission.
But this receipt must be dated

wrong, as I had no dealing in 1890 with this Company, or with Mr. Center at all.

Ques. Explain the charges of freight by the plaintiff under the contract, for 1891.

Ans. He put the machines to me at \$37.⁰⁰ each and pay the freight, which freight I paid.

And now the witness does not say.

The above deposition was taken before me, the undersigned, for the purpose and at the time & place mentioned in the caption, given under my hand.

William Deering Co.

Co. H. Brown, etc.

The deposition of W. Y. Davis
Taken by agreement of the parties
at the Law office of A. L. Pickens
in the town of Jonesville Lee County
Virginia, on the 2^d, day of June
1894. And which are intended to be
read as evidence, before the Commis-
sioner, and in the case of Wm
Deering & Co against C. H. Brown
et al, a Chancery Cause now
pending in the Circuit Court of
Lee County Va, and referred to:
E. W. H. R. Ewing Court, wherein said
Wm Deering & Co are plffs and said
C. H. Brown et al are defendants.

Present A. L. Pickens for plff.

" " Sewell & Goris " deft.

W. Y. Davis a witness of lawful
age after being duly sworn de-
poses & says as follows:

Ques: Please state your age, occupation
& residence, and whether or not you
have any interest in this suit.

Ans: I am 33 years old, reside in
Nashville Tenn, am salesman
for Wm Deering & Co & have no
interest in this case.

Ques: If you are familiar with the
sales made to, and payments
made by C. H. Brown as agent for
the plffs, please state all you
may know about it.?

I am familiar with the same made to & payments made by C.K. Brown to the plaintiff, Long Deering & Co. I have also examined the papers filed in envelope 1 as exhibits in this cause & looked carefully over the balance sheet contained therein & by refreshing my memory from said papers I am enabled to state that C.K. Brown is justly indebted to the plaintiff on the adjustments of the account of that years dealings, I mean the year 1891, after giving said Brown all just credits in the sum of \$55²¹ with interest added to Oct. 1891. A brief but correct statement of that years dealings is shown by an abstract filed herewith as a part of my deposition marked "Abstract 1891".

I have also examined the papers contained in envelope 2 containing the dealings of said Brown for the year 1892. From said papers & from my recollection of the transactions I am enabled to state that said Brown, as apt as aforesaid, after giving all proper credits is justly indebted to the plaintiff for that

(42¹³)
43

pass dealings in the sum of
\$42⁷⁹ ~~increasing~~ ~~interest~~ should
run from Oct 21st/1892.

These transactions are properly
set out & shown by an abstract
thereof composed of two sheets
one dated Nashville Oct. 7, 1893,
& the other marked 1892, they
are pinned together & filed herewith
marked Abstract 1892 & I
make them a part of this
deposition.

The two foregoing amounts
are the only ones for which
A.M. Brown is liable for ac-
cruing ~~for~~ said C.K. Brown.

For the transaction for the
year 1893 there was ~~no~~ written
Contract ^{with} between C.K. Brown
At the Plaintiff's agent. But
the said C.K. Brown did sell
~~dispose of or handle~~
some repairs for the year 1893
up to March 1st & is due the plaintiff
on that account \$7⁵⁷ which
should bear interest from March 1st
1893. The statement of that
account ^{is shown} by a paper herewith
filed marked Abstract 1893
as a part of my deposition.

I have examined exhibit
no 4 filed with the plaintiff's Bill
& found in envelope No. 2 & find
it correct,

According to the foregoing statement
making due allowance for interest.

As before stated I am the
sole agent of Wm. Deering & Co
among other territory, for that
of Lee Co., Va. I made the
written contract filed with
the plaintiffs bill for the year
1892, but did not make the
one for 1891, but it was made
under my supervision & ~~it was~~
by a man working with me
by the name of M. F. Hubbs.
For the years 1891, 1892 & ^{as far as} up to
March 1893 I was collecting
agent as well as sales agent
for the territory mentioned.

Some of the payments made
by the papers referred to by me
were made direct to me & some
were sent on to the company,
but I went over them all with
Said Brown & in our settlements
& attempted settlements each item
thereof was gone over with Said
Brown by me & the correctness
thereof was not disputed by
him. He repeatedly promised to
pay the item shown in Abstract
marked 1891 of 55²¹, the original
item as he promised to pay was
\$48⁶⁵. I have read carefully the

(5)

said C. K. Brown's answer & find that he claims therein ~~a~~ receipts in full for that year, that is, 1891, & he files such receipts marked A & B. The receipt "A" is now before me dated Oct 21st 1891 & is partly printed & partly written. The written portion thereof including the signature is in my hand write, except the two first words in the last line, "in full" which are not in my hand write & were not in said receipt when I signed it, nor for more than a year thereafter. I saw said receipt some time ago & the ~~the~~ words "in full" were not then in said receipt & I never did see them in the same until this day.

I make the same statements as to receipt B as to the two words, "in full," though as to the sake account of that year, 1891, there is no controversy, that is, there is no controversy as to the last named receipt, "B."

In the said answer I notice the said Brown claims credit for a note on Wm M McNeil covering the item of \$55²⁰. Such a note was turned over to me

by said Brown & I gave him the receipt first spoken of for \$1701⁰⁵ in notes as shown by the receipt. The said \$ amount of the note was \$48⁶⁵ & when these notes were turned over to me they were represented by him as notes taken for the sale of Machinery shipped to him by Wm Deering & Co or their agents other than the Greer Machinery Company. On settlement with the Greer Machinery Company it turned out, as claimed by said Greer Machinery Co, that said note of \$48⁶⁵ was taken for a sewing machine sold by Hugh Greer of the Greer Machinery Company to the said Wm H. McNeil, consequently that note had to be & was turned over to the Greer Machinery Company, so that receipt "A" for \$1701⁰⁵ is incorrect & for too much by the sum of \$48⁶⁵ & as before stated the words "in full" do not properly belong ~~in~~ said receipt.

I also notice in said Brown's answer he claims a charge for freight payed for the plaintiffs, repairs turned over to them, house rent &c amounting to \$70⁷⁰. I will if

plain each item separately; 1st As
to the freight bills, by an ex-
amination of the contract of 1891 it
will be seen, the price ^{at} which
said Machinery was charged to
said Brown was to be F. O. B., ^{at the factory} which
means on board the cars, so that
no freight was properly chargeable
to the plaintiff for that year, but
after the contract was entered
into I came over to Jonesville &
saw the said C. T. Brown, when
he informed me that he could
sell a car load of the plaintiff's
machinery, but did not have
the money to pay the freight.
I wrote the Company requesting
them to prepay the freight on said
car load, which they did, & properly
charged it up to him on that
year. So it will be seen by said
statement that if the plaintiff could
have held the note of \$48⁶⁵ on
Wm N. McNeil the account of that
year would be settled. By the same
statement it will be seen that
the plaintiff charged Brown, among
other things, with the sale that year
of 37 new Deering mowers & 1 giant mower,
so that if you add the McNeil
machine he ought to be charged with
\$38. For the 1891 he carried over two binders

two trucks, 3 New Deering mowers & 1
Giant mower, on which he had
paid the freight in the account of
1891. These machines were carried
over & charged in his 1892 account.
In 1892 of this lot he sold \$3
new Deering mowers 1 binder & 1
truck, that left ~~one new Deering~~
~~mower~~, 1 Giant mower 1 binder
& 1 truck which the plaintiff owed
him freight on & on the account
of 1893 they give him credit for
this freight \$12⁷⁴. By this statement
it will be seen, the plaintiff paid
the freight to Pennington Gap &
have not charged the same
to said Brown. And as above
stated credited him with the freight
on all the machines returned
to them & not sold which had
been shipped him under the
contract of 1891. In the 1892
account it will be seen that
Brown is charged with the freight
\$143¹⁸ & switching at Chicago \$2⁰⁰ -
but in the statement of said account
he is credited with the same amount.
So that it will be seen, the plaintiff
does not owe Brown anything
on account of freights.

20 The said Brown has been credited
with all the repairs returned to the
company.

One of our men S. R. Cooper who
 was duly authorized to make settle-
 ments & received payments during
 my absents & while I was sick
 made a settlement with said Brown
 which showed that said Brown owed
 the plaintiff company \$127⁵⁰. This
 statement of account was erro-
 -neous, although Brown ~~acknowledged~~
 that he owed that amount. ~~Afterwards~~
 Brown & myself took up this matter
 which is fully shown on the sheet
 headed "General Statement of Account"
 dated Oct 21st/1892. & signed by
 S. R. Cooper & C. R. Brown & corrected
 that settlement & gave Brown
 Credit for all sums then found to be
 due him & by this corrected settlement
 it is shown that the plaintiffs then
 owed to Brown \$69⁸⁷ which last
 amount was credited to him on
 his hay rake account of 1892.
 This corrected settlement is shown
 by a sheet headed "General Statement
 of Account & the credit of \$69⁸⁷
 is shown in red letters. & the
 credit thereof is shown on the
 sheet marked Abstract 1892 &
 on the same sheet which is
 the balance due from said
 Brown on his hay rake account
 of that year the item spoken of
 above by me of \$42¹³ & interest.

3^d As to the account for house rent,
I as the agent for the plaintiff
never undertook, promised or agreed
to pay any house rent for said
company & on the said 21st Oct
1892 in the settlement made with
C.A. Cooper ^{he} gave him a receipt
for \$58⁵⁵ extra commissions &
not cash extras \$15⁹². This receipt
is found among the ~~papers~~ papers in
envelope marked No 2 & to more
particularly identify the same I
filed it herewith marked it "
on the back" machine receipt
1892 & I at no time agreed to
pay ~~any~~ house rent on said
machines & it is not usual
to do so.

Cross-examined.

Quest. Who made the settlement between the
plaintiffs and defendant C.A. Brown
as shown by statement for 1891,

Ans. I did.

Quest 2. Who made out said statement for 1891,
that is filed in this case.

Ans. The machines charged on the account
was charged on there ~~for~~ Chicago
office by some of the book keepers.
Brown & I checked the ~~same~~ charges
by the invoice sent him, except
one machine & that was a machine
turned over to us by the Green

Machinery Co. in 1890 & that machine
we turned over to C. H. Brown.
He agreed to take it & I made
that charge myself. I placed
the credits on it.

Ques 3. Was this settlement in full for the year
1891, and reported as correct by you,
at the time, and approved by the
plaintiffs

Ans. It was sent in by me as a
settlement in full & correct &
~~would have~~ was correct if I
realize the McNeil Note.

Ques 4. How long after the date of this
settlement was it before the McNeil
note was discovered to be a mis
take and who made the discovery?

Ans. According to Mr Brown's statement
Mr. A. S. McDowell of the Greer Machinery
Co. was here a few days after
I made the settlement & made
settlement with Brown for the
Greer Machinery Co. & on his
return to Knoxville the Greer Machinery
Co. demanded of me the said note.

Ques 5. How many ~~machines~~^{machinery} were shipped to
C. H. Brown from Chicago place of
business of the plaintiff for the year
1891

Ans. ³⁵ 35 new Deering mowers, & 2 Giant mowers
~~5 shipped from~~
Is there any dispute about the

deponent C.K. Brown accounting
for the two giant mowers?

Ans. No Sir.

Quest. How many of the ^{said} 35 mowers were sold
and notes or cash for the same turned
over to the plaintiff, by C.K. Brown.

Ans. I can't tell whether he sold the
machines ~~and~~ sent him from
Chicago or from Bristol or the
one already here. Out whole lot
of 41 New Dering mowers received
by Brown that year there was
one transferred to D.B. Humphell
& 3 ^{left} on hand ~~left~~ which ~~h~~
making 4 which he received
credit on.

Quest. From what other points were mow-
ers shipped to said Brown & how
many, for the year 1891.

Ans. There was 5 shipped from A S
McDowell of Bristol, Tenn &
one that was left on hand
by the Guer Machinery Co in Knoxville
in 1890 that was turned over to him.

Quest. How many notes were turned over to the
plaintiffs for mowers, for the year 1891,
how much cash, -

Ans. 44 notes amounting to the sum of
\$1701⁰⁵ & including the McNeil notes.
Some of these notes included two
payments on one machine.
Cash \$13⁹² ~~\$~~ or check.

Ques 9. Have the plaintiffs the names of the purchasers of mowers for the year 1891, & so, how many are there?

Ans. yes sir, we have them made out in the hand write of C.K. Brown. According to his statement he sold 38 New Deering mowers, one more than we have him charge with which must be the McNeil machine as his name appears on the list furnish by said Brown.

Ques 10. How many of the 41 mowers were not sold, & what become of them?

Ans. Of the 41 mowers he was credited with ~~38~~ 3 on hand & 1 shipped to another agent shipped, D.B. Campbell receiving all 40 New Deering mowers he received credit for in the 1891 account leaving only 37 for him to account for to Wm Deering & Co.

Ques 11. you state in your answer to question 9. that C.K. Brown sold 38 mowers, did the plaintiffs credit him with that number.

Ans. He accounts for 37 machines provided the McNeil note had been properly turned over to Wm Deering & Co.

Ques 12. Has not C.K. Brown accounted for the 41 mowers for which he was charged with by the plaintiffs?

He has; provided we had gotten the McNeil note.

Ques 13. Did not the plaintiffs receive the McNeil note?

Ans. It was in the lot of notes amounting to 1701⁰⁵ but I did know it was for a machine sold by the Guer Machinery Company at the time.

Ques 14. What became of the McNeil note? and who realized the proceeds of same if collected.

Ans. I sent it to Wm Deering & Co of Nashville Tenn & have no personal knowledge of what became of it.

Ques 15. Your headquarters for business for the plaintiffs is ^{it not} in Nashville Tenn, and are you not now direct from said place?

Ans. Yes Sir, but in the season of 1891 & 1892 it was at Bristol, Tenn.

Ques 16. Where were you when you signed the receipts marked "A & B" filed with ~~the~~ C. H. Brown's answer.

Ans. ~~At the time~~ In Brown's hotel up stairs in a room fronting ^{the street} ~~this way~~ before the hotel, or that room, was repaired.

Ques 17. Did you make a settlement for 1891 with him in said room?

yes Sir.

Ques 18. After the settlement was made in said room, then did you not come down into the office of the hotel, and while in said office did not said Brown call your attention to the fact that said receipts were not right & that the words "in full" should be inserted?

Ans. No sir, he did not for those two receipts.

Ques 19. Did not you then & there insert the said words yourself or direct him to put the said words in said receipts, & that they were then inserted either by you or said Brown.

Ans. I did not insert them, nor did I instruct him to insert them, & they were not then & there inserted in my presence.

Ques 20. Are there any receipts in which these two words were inserted after they were signed, if so, state which ones they were. This question is objected to because too general and the receipt not specific. A. L. Pritchard

Ans. No sir, there were not.

Ques 21. You state according to C. K. Brown's statement he said 38 mowers, did the plaintiffs accept this statement

as correct and as prove it for
the year 1891.

Ques 11. ~~For 37 of them~~ The company
did not ^{accept} that ~~they~~ ^{he} sold 38
of their machines.

Ans 12. How many of the 38 mowers did
they accept?
37-

Ques 13. When was it you made a
settlement for the doings
for 1892?

Ans - S. A. Cooper made the first settlement
with him Oct 21st / 1892. On January
1st 1893 I made the corrected
settlement.

Ques 14. Did not C. K. Brown turn over
to you as agent for the plaintiff
all the mowed mowers, and other
machinery of the plaintiff on the
21st day of October 1892?

Ans - He did not.

Ques 15. What became of it?

Ans - He signed the ware house
receipt made out by S. A. Cooper
on Oct. 21st / 1892 for all machines
& repairs he has on hand -

Ques 16. In what capacity did he hold the
same?

Ans - As an agent for Wm. Deering & Co.
in the same manner he held
the machines over from 1891 to
1892 free from any claim to the
Wm. Deering & Co as per the agreement
shown by the receipt heretofore filed -

Ques 24. Did the plaintiffs have any contract
whenever with C. H. Brown to act as their
agent for the year 1893?

Ans. No Sir.

Ques 25. Then on they not liable to him
for wine house rent for the year
1893,

This is objected to because a
legal inference can not be fact
A L Pridemore

Ans. I think not.

Ques 26. Did not the plaintiffs keep
their mowers in the wine house
of C. H. Brown after the 31st day of
October 1892 up to the ~~time~~ 31st
day of October 1893.

Ans. No Sir. C. H. Brown kept them.
I did not get him to keep them
for Wm Deering & Co. ———

Ques 27. Who was he keeping this machinery
for during said time?

Ans. For himself, I suppose, in the
same manner he kept it over
from the year 1891 to 1892. There
was at that time a contract
pending but was never completed.

Ques 28. Was said machinery ever taken
out of the wine houses of C. H. Brown
if so, when was it, and who
removed it?

Ans. They were taken up by me on
Feb'y 4th 1893 & charged to the Bristol

implement company, ^{of} Bristol Tenn.

I reported it to Wm Deering & Co & they sent invoice to the Bristol implement company of the goods.

Mr. Brown asked me who was going to work this territory as an agent & I stated to him that the Bristol implement Co would & would send Mr M. L. Hubbs to canvass this county.

2440, 29 ~~I am not the place~~ Are the plaintiffs indebted to C. K. Brown for the freight on H. Binder 2400 lbs at 59^{cts} per 100 lbs, also for the freight on 3 mowers \$16⁰⁰ for the year 1892,

They are not. They are only indebted to him for the freight on 1 grain mower, 1 truck ^{+ 1 binder} at forty nine cents per hundred, which he is credited with in statement 1893. And is as stated before amounts to \$12⁸⁴, the weight of the machines being ~~\$~~ 2600 lbs as billed.

2440, 30, Did you not pay that the plaintiffs would pay C. K. Brown for the storage for keeping their machinery?

ans I did not. On my return there in the fall of 1893, the Bristol implement Co instructed me & gave me the money to pay the storage on the machines from

Feb'y 4th 1893 up to July 1st 1893. C.K.
Brown rendered a statement against
the Bristol Implement Co for
storage from Sept 1st 1892 until
Sept 1st 1893 at \$2⁰⁰ per month,
making \$24⁰⁰ and as this was
not in accordance with their
account I did not pay him.
Wm Dering & Co have not paid
it.

Ques 31. State whether or not the letter handed
you dated April 3^d 1894 is from
William Dering & Co, and if so, file
the same with your deposition &
monked it 'X'—

Ans. It is from the Nashville office &
was dictated & signed by ~~Wm~~ H. A.
Wilcox, who is not the book
keeper at the office there & has
only been there since March 1st
1894.

Ques 32. State whether or not the letter handed
you dated April 11th 1894 is from
William Dering & Co, & if so, file the
same with your deposition as part
of the same monked 'y'— Also examine
the statement of notes for 1891, accompa-
nying said letter & state if it is correct,
& if so file it with your deposition
monked 'O'.

Ans. The letter is from Wm Dering & Co
~~addressed to Brown & Co~~
of Chicago, & the list of notes

corresponds with the list of notes sent in by me to Wm Deering & Co in 1891 & is evidently copied from that list & contains the McNeil note of \$48.⁶⁵ & it is usually our custom to furnish our agents with a list of all the notes taken near his point whether the goods are sold by him or some other agent.

The foregoing letter is objected to because it shows upon its face that it is addressed to Brownson, and therefore not relative to this transaction.

A. L. Prudenore

Ques. Please state whether or not said letter and statement of notes show that the plaintiffs acknowledged payment in full of said McNeil note?

The foregoing question is objected to because the letter & statement show for themselves.

A. L. Prudenore

Ans. The statement shows that the note has been paid, but it was turned over to the Wm Deering & Co by the Green Machinery Co of Knoxville Tenn.

Ques. When J. M. Green & Co's agent came into Lee County Virginia and sold the mow to McNeil, was he not in Ch. Brown's territory, and any sales so

made in said Brown's territory
was in the said Brown entitled to the
benefit of it.

Ans. It is not so stated in the contract
& in accordance he was not.

Ques

After said sale was made was
it not agreed by you as agent
for the plaintiff, or agreed to the
plaintiff that C. K. Brown should
have the benefit of it?

Ans.

I agreed to go & see the Green Machinery
Co & insist on their turning the
order over to C. K. Brown. They were
making an effort to contract
with him to handle their goods
& if they would turn over this
order to him & not sell any
more Deering mowers in this
County Mr Brown would accept the
agency for their goods & he, C. K.
Brown states to me that he
would do so.

I agreed to it when I had
seen Hugh M Green a member
of the firm & he agreed to send
the order to C. K. Brown ^{& allow} the Com-
missions, the difference between
the Green Machinery Company's price
& the price at ^{which the} machine was sold,
provided the Green Machinery Company
would charge the machine back
to Mr Deering & Co so that they

Could charge it to C. H. Brown.

The Greer Machinery Company, refused to turn the machine over to J. M. Deering & Co.

Ques. Did the plaintiffs in this suit, direct this suit to be instituted or do they know that it is pending?

Ans. It was directed by them.

And further this witness saith not.

To the Hon. W. T. Miller, Judge of the Circuit court of Lee Co.:

Your undersigned special commissioner in the case of Wm. Deering vs. C. K. Brown et al, begs to report that this case was compromised by the parties after he had done a large amount of work. He was engaged on this case off and on for about one year, all because of the slowness of the parties. He had his report about ready to file, and was only waiting for more evidence on a certain point, when this case was settled, as per the agreement ~~heretofore~~ with the papers filed in the cause. ^{one} This was a very complicated cause, and involved considerable study and worry. Your commissioner therefore reports that he was engaged, in active work nearly forty hours. But he is willing that his fee be taxed at twenty-five dollars, and he asks that this amount be so ordered.

Respectfully submitted.

E. W. R. Ewing,
Commissioner.

This day E. W. R. Ewing made oath that he had been engaged in this case at least a number of hours, which at .75- would equal the sum above reported, to wit: \$25.00.

Jonesville, Va.

Dear Sir:-

In the new adjustment of the Settlement as made with you by our Mr. W. Y. Davis, Bristol, Tenn. there was shown to be a difference of \$7. in on hand commission repairs as the former settlement sheet showed \$58.65 and the re-adjustment showed \$65.65, and we herewith hand you a new receipt dated 10/21/93 for the amount of repairs on hand, \$65.65, also covering the Machines you have on hand and net extras, \$15.92 as per your former receipt.

Please sign and return the enclosed receipt and we will void the former one by returning it to you.

There is a balance due as per this adjustment \$69.87 on your Machine Account and there is a credit on your 1892 account of \$36.27 freights in on hand goods which we have charged to your 1893 account.

We refer to the balance on your 1892 Machine account which is due ~~xxx~~ you to-day, \$69.87 and we have charged your 1892 Machine account with that amount and credited the same on your Hay Rake account which according to our books was \$112.; this leaves a balance due us on Hay Rake account for 1892 \$42.13 and if you will kindly send us your check for that amount it will close all business for the season of 1892.

Please send us this check by return mail and the entire ~~business~~ business for the season of 1892 will be adjusted, also return the enclosed receipt properly signed by first mail.

Very truly,

P.

Dear Sir:-

We return herewith all papers which refer to the pre-payment of freight charges on Union Line Car 9254, consigned to C. K. Brown, Penning Gap, Va.

Our record shows that we paid to the Pan Handle Railroad \$143.57, which is in accordance with expense bill attached hereto and sent you sometime in May. Owing to a clerical error on the part of the Louisville & Nashville Ry., charges were allowed on this shipment to the extent of \$78.38. On this account shipment was refused by Mr. Brown and the matter taken up with us, which was in return taken up with the Pan Handle Railroad and all charges released.

We have pre-paid on this shipment, as you will see, \$143.57, and that amount should be refunded by consignee.

Yours truly,

Wm Deering & Co.

Mr. W. Y. Davis,

Dear Sir:-

You wrote us on March 18th. to forward you a copy of the 1891 Settlement with C.K. Brown, Jonesville, Va., also a copy of his sales sheet for that year and we herewith enclose you copy of ~~this settlement~~ and the original sales sheet as returned to us by the Chicago Office to-day: the freight bills we cannot find, neither can the Chicago Office find them, they can find one freight bill which was paid on a car of Machines shipped to Mr. Brown but they did not send it to us; however, we think the sales sheet will be all you need.

The settlement sheet shows the following: That Mr. Brown sold one Giant Mower and had one on hand., The settlement sheet also shows that he sold,

6 ND. Mowers 4-1/2 ft. X 2-1/4 in.

6 N.D. Mowers 4 ft. X 3 in.

25 " " 4-1/2 ft. X 3 in.

37 Total, He had on hand three N.D. Mowers 4-1/2 ft. X 3 in. and the sales sheet give the names of Thirty-eight persons who bought N.D. Mowers that season showing he had sold one more Mower than he settled for and still had three on hand, you will understand the difference is in the totals of the N.D. Mowers he sold and the number of persons the sales sheet shows.

We trust you can convince Mr. Brown and collect this 1891 balance from him without delay.

Dear Sir:

In checking over the "A" list which you sent us dated Nov. 21, '92 with 30 notes amounting to \$1222. for the 1892 account of C. J. Brown, Jonesville, Va. we fail to find one note signed by C. J. Brown for \$15.00, and in consequence we have graded this from the "A" list and will under separate cover receipt you for the remaining 29 notes amounting to \$1177. We find on our Bills Receivable Books a note given by A. H. Brown for \$50.00 for \$45., a description given herein on our form #140. We notice that you have graded the one on the "A" list A, which we presume is all O.K. and the one now put in will be paid soon. Kindly give us an explanation as to these Brown notes.

Dear Sirs:--

We are in receipt of yours of the 21st inst., requesting us to send you sales sheets and freight bills in the '91 settlement of C. K. Brown, Jonesville, Va.

We enclose the sales sheets, but we can find no other freight bills than one for carload of machines shipped and prepaid from Chicago. We think, however, that the sales sheet will be all you need. The settlement shows, that Mr. Brown sold one Giant Mower and had one on hand; this conforms with sales sheet.

He sold 6 N. D. M., 4-1/2 x 2-1/4

" " 6 " 4- " x 3-

" " 25 " 4-1/2 x 3-

A total of 37 N. D. M., and had on hand, 3 N. D. M. 4-1/2 x 3.

The sales sheet gives the names of 38 persons who bought N. D. Mowers that season, so that he had sold one more than he settled for, and still has 3 on hand.

We trust that you can convince Mr. Brown and collect the '91 balance.

Yours truly,

(Main Office & Works, CHICAGO, U. S. A.)

Nashville, Tenn., Oct. 27th., 1893.

Mr. W. Y. Davis,

Bristol, Tenn.

Dear Sir:-

We have your favor of October 23rd. informing us that you had placed the 1891, 1892 and 1893 Statements of C. K. Brown, Jonesville, Va. in the hands of Mr. A. L. Pridemore, Atty. at that place according to a letter from Mr. Spooner and as per your request we enclose you copies of correspondence between this office and yourself, and this office and C. K. Brown since the difference arose between Wm. Deering & Co. and C. K. Brown in 1891.

You will notice this is all correspondence that has ever taken place, and as to Mr. Brown claiming to have a letter from us which he refused to show you saying that \$42.13 was all the money he owed the Company is utterly false, Mr. Brown, however has a letter in his possession (copy of which is enclosed herewith among the other copies) which plainly states that he owes \$42.13 balance on his 1892 account and which we would have accepted at that time as full payment thereby not charging him any interest, but as the matters have gone as far as they have we shall certainly expect that C. K. Brown account to us for all balances due us and the interest accrued thereon up to date.

We trust with the assistance of all this correspondence (which has consumed the entire time of one of our Stenographers for the best part of two days getting up) that you will certainly make a Settlement of this business.

We wish you to preserve all of this correspondence and forward it back to us with all papers when you make a final settlement of this matter with Mr. Brown.

We write you another letter herewith enclosed giving you the figures according to our books.

Very truly,

F.

Dear Sir--

We have your favor of the 13th inst., in which you enclose a letter from C. K. Brown relating to the A. M. Brown note which we returned to you after having erased it from the "A" list. If A. M. Brown is worth what C. M. Brown says he is, and the only reason his other note has not been paid is simply neglect on his part we will, of course, accept the note, which we return to you, so kindly attach it to a new "A" list and return and we will give Mr. Brown credit. In the meantime, please write him that we shall expect payment of his old note, or an explanation why it was not paid.

We return letter herewith Yours truly,

Dear Sir,

I am in receipt of a letter from Nashville office, returning O. B. Brown's notes, because of his failure to endorse them. I called his attention to the endorsement clause in his contract in his contract & he positively refused to endorse the paper, said that you had agreed to waive this clause, if his paper came up to A grade, which it did. ~~Mr. Brown~~ I enclose you letter from Nashville in reference to this matter. I am due at Maryville Wednesday, & Mossy Creek Thursday, am then going to Nashville. Your will not be ready to settle before Dec. Replying to your letter of December 19th. by Mr. Stark which is attached will say; the difference, \$25.62 should not be applied as a credit on his 1892 account as the agreement with Mr. Brown is that he is to carry the freights himself, the same will possibly have to be allowed him in 1893.

Gentlemen:-

RECEIVED BY W.D. & CO.

Kindly forward to us a copy of the 1891 sale sheet of C.K. Brown, Jonesville, Va. at your earliest convenience.

Mr. Brown has presented another excuse for not paying the balance on his 1891 account, claiming he never received but four Mowers from A.S. McDowell, Bristol, Tenn.; we placed in the 1891 settlement of Mr. Brown freight receipts for five Mowers transferred from McDowell, if you can find the same kindly forward them to us. The Mowers shipped from McDowell were not shipped to Mr. C.K. Brown direct consequently it would be a hard job to find out the number of Mowers shipped by examining the Railroad Agent's books unless we had the original freight bills.

Please give this matter prompt attention, sending us the freight bills and sale sheet as requested.

Very truly,

F.

Will you please advise us why you have not given this matter your attention, also send us your check for this amount, by return mail, as we are anxious to have the matter closed as soon as possible. An early reply will greatly oblige,

Gentlemen:-

Replying to your favor of November 20th., in regard to C.K. Brown, Jonesville, Va. not being required to pay for the net cash extras on hand will say; this case is similar to the one of Hill & Keny, Maryville, Tenn. where the agents would not handle the Machines unless we agreed to have a stock of repairs at that point, the trade in that section had been almost killed on account of parties not being able to get their repairs unless they sent to Knoxville, Tenn. or Richmond, Va.

We placed the stock at this place with the understanding that we would carry the repairs.
